TASK 3 Group Choreographic Criteria

Criteria	Our group did not include this in our choreography	Our group could have done this better/ been more clear	We feel pretty good about this portion of our choreo	Nailed it!
AB/ABA			BAI TG ED AI	
Theme		✓		
Variation/ manipulation of movement				✓
Narrative form	✓			
Collage	✓			
Emotion		✓		
Engagement with audience		✓		
Full out			✓	
Consistency in performance				✓

If you were given this assignment again, what would you do differently with your choreography?

We would try to incorporate more choreographic structures and devices in order to be more engaged with our audience and have more energy. In addition, we would try to make our movements more sophisticated by making them connect better and tell a story/idea.

What would you do the same?

We would continue to work together as a group and combine all ~~our~~ of our different ideas of movement.
